

Indiana Board of Licensing for Professional Geologists

Request for Letter of Reference

Applicants: Please complete the following section then forward to the person who will serve as your reference. You must have three (3) letters of reference. If you are applying under the work experience requirement of five (5) years or longer of geologic work performed under the supervision of, or in collaboration with, a licensed professional geologist, your references **must** be from a licensed professional geologist attesting your high standards of professional and ethical conduct. If you are applying with the criteria working under a supervisor, one of your reference letters should be from your immediate supervisor.

Name of Applicant	Address of Applicant
Last Name: _____	Street: _____
First Name: _____	City: _____
Middle Name: _____	State, Zip: _____

Referee: Each applicant for licensure as a professional geologist must have three letters of reference from persons in a geosciences profession who are able to affirm that the applicant adheres to high standards of professional and ethical conduct.

Please complete the information below and mail with your letter to:
 Indiana Board of Licensure for Professional Geologists, Indiana Geological and Water Survey,
 Attn: Licensing Coordinator, 611 N. Walnut Grove Ave., Bloomington, IN 47405

In addition, please include the following in your letter of reference:

- The nature and duration of your professional affiliation with the applicant
- Your present position title
- All letters must be on letterhead and signed
